INVESTIGATION

Detective and New Criminal Investigator

Nov 27 - Dec 1 #14823 Fee: \$525

This course is a comprehensive INTRODUCTORY LEVEL overview for the law enforcement officer who has recently become assigned the crucial task of conducting supplemental investigations of suspected criminal offenses. During this course the student will also be exposed to various injury, death, homicide and sexually sensitive and explicit sexual battery cases. Also included in this course will be several post-mortem examination photographs and videotape segments, as well as injury, death and homicide scenes through photos and videotapes from actual closed cases. This part of the course will be VERY GRAPHIC AND INTENSE.

Instructors: Brian Jarvis & Tom Tittle

Child Death and Homicide Investigation

Nov 29 - 30 #14827 Fee: \$325

This two day course is a comprehensive overview of the unique approach utilized in the investigation of injury and deaths involving children. Topics to be covered in depth include natural disease, accidental injuries, and child physical abuse. Primary topics include: common cause of death in children, common accidental injury patterns, inflicted injury patterns, scene investigative techniques, and victim and perpetrator characteristics.

Instructor: Tracey S. Corey

Death and Homicide - 5 Day

Dec 4 - 8 #14831 Fee: \$550

The most comprehensive 5-Day homicide training available - anywhere. This course provides a complete overview of homicide investigations including: cold case homicides, crime scene interpretation and reconstruction, scene contamination, deadly force issues, blood spatter, time of death and decomposition, and much more.

Instructors: David W. Rivers, Rod Englert, Tom Martin and Mike J. Coker

Body Cameras, Drones and Emerging Legal Trends

Nov 27-28 #14825 Fee: \$325

This two-day course will prepare law enforcement professionals to craft policies that reflect best practices and procedures related to these challenging issues. This course will cover: social media criminal investigations, law enforcement unmanned aircraft systems, eyewitness identification and wrongful convictions, preventing friendly fire deaths and injuries, citizens recording of law enforcement officers on duty, and more.

Instructor: Steve Campbell

Forensic Pathology for Investigators

Nov 27 - 28 #14826 Fee: \$325

This course consists of the visual presentation of hundreds of cases of injury and death, including homicides, suicides, accidents, and deaths from natural disease. Many cases of nonfatal injury are also presented, including accidental and inflicted injury in children and adults. Important investigative aspects and patterns of injury of sexual assault cases are discussed. Characteristics of self-inflicted injuries are contrasted with injuries from assaults by other persons.

Instructor: Tracey S. Corey

INTERVIEW & INTERROGATION

Practical Kinesic Interview & Interrogation, Phase I & II

Nov 27 - Dec 1 #14822 Fee: \$525

The course is designed to help interviewers maximize their ability to gain valuable information as quickly and efficiently as possible. The two phases encompass all of the courses that make up Practical Kinesic Interview & Interrogation® training programs. The content is based on empirical research into behavioral analysis, effective interviewing and ethical interrogation. Expertly presented, the proven concepts are immediately useable by your new investigators, and upgrade the skills of those with the most experience.

Instructor: Stan B. Walters

25th Annual Western States Training Conference Schedule

November 27 - December 1 • December 4 - 8, 2017
Las Vegas, Nevada

FIRE INVESTIGATION

Arson Scene Search

Nov 27 - 28 #14828 Fee: \$325

The purpose of this course of training is to provide Fire Investigators, Law Enforcement Officers, Insurance Investigators, and D.A. Prosecutors with an in-depth course on Fire Scene Investigation and Evidence Collection Procedures. This training deals with the considerations, guidelines, and procedures that will help avoid an oversight, insure thoroughness of the search, and to comply with both legal and scientific requirements that always bear on the use of physical evidence.

Instructor: Steve Riggs

New Fire and Arson Investigator Academy

Dec 4 - 8 #14832 Fee: \$525

This course covers state of the art investigation practices for the new and not-so-new fire investigator. Upon completion, students have the necessary tools to become a professional fire investigator. This training assists and prepares the investigator for the challenges to be faced in both criminal and civil investigations, as well as court settings.

Instructor: Steve Chasteen

CRITICAL INCIDENT

Hostage Negotiations Phase III

Dec 4 - 8 #14836 Fee: \$695

Upon completion of this course students will have gained an understanding of the crisis team structure, the dynamics of negotiations, the value of using trained police negotiators, an understanding of the Team Concept, skills in communicating with people in crisis, dealing with the media and negotiator stress and much more. In completion of this course, you will be tested and receive a certificate in Hostage Negotiations.

Instructors: Jim Arey, Jack Cambria and Mark Lowther

SCHOOL

School Violence Conference

Nov 29 - Dec 1 #14829 Fee: \$350

This course will prepare Law enforcement professionals as well as educators to craft and implement policies that reflect an understanding of the best practices and latest legal guidance related to the reduction of school violence and creating safer schools.

Instructors: Floyd Peterson

Instructor: Ray Farris

Internal Affairs Conference & Certification

Nov 27 - Dec 1 #14821 Fee: \$595

Primary topics include: How to conduct an acceptable administrative investigation, officer deviance, legal updates on use of force and jail liability connected to administrative investigations, Garrity: unraveling the mystery, Brady & Giglio issues, force Investigations, filming the police, IA/OPS investigations, legal issues in searches, code of silence, the evolving rules with respect to fitness for duty, and Agency Response to Civil Litigation. In completion of this course, you will be required to write a research paper in order to become certified in Internal Affairs.

Instructors: Multiple

Leadership Skills for Challenging Times

Dec 4 - 6 #14834 Fee: \$350

Primary topics include: dealing with the problem employee, decision making, the role of the mission and vision statement and delegating assignments. The participant will become familiarized with: the 2 Golden Rules of Leadership, P.O.S.D.C.R.B., performance evaluations, Level 5 Leadership, the Broken Window Theory, and expectations.

Instructors: Mike J. Coker

Use of Force Deadly Force, and Officer Involved Shooting

5 Day #14830 Fee: \$550

Dec 4 - 8
The purpose of this program is to prepare officers, supervisors, investigators and prosecutors in the proper response and investigation of serious use of force incidents and officer-involved shootings. Primary topics include: scene response, legal issues, the administrative investigation, agency review process, officer well-being, the lawsuit, policy development, media issues during officer involved shootings, the criminal investigation, assumptions and studies on officer-involved shootings, and more.

Instructors: Rick Lober, David Rivers and Jon Blum

Supervisor Liability

Nov 30-Dec 1 #15183 Fee: \$325

In this course, police supervisors will learn to understand what types of police behavior will most likely spawn lawsuits. Supervisors will learn that constitutional rights' violation suits called "1983 actions" (short for 42 U.S.C. § 1983) subject officers and their departments to the most liability. Attendees also will learn how to make sound hiring decisions; how to document and discipline officers for misconduct; and the importance of proper officer training. Moreover, supervisors will learn what leadership behaviors will reduce liability and protect the agency from all types of lawsuits.

Instructor: Shaun Santos

Verbal De-escalation and Crisis Communications

Dec 4 - 5 #14833 Fee: \$325

This course is designed to help individuals working in law enforcement, corrections as well as EMT's Fire Fighters, and others understand and deal with individuals who are agitated or in crisis. Attendees will learn that communicating verbally during a potential force encounter may aid in stabilizing the situation. Verbal de-escalation may reduce the immediacy of the threat so that more time, options, and resources can be called upon to resolve the situation.

Instructors: Mark Lowther
