

YOUTH PROGRAM APPLICATION

WSLEA Membership is for and about the citizens and the communities its members are a part of and who they serve. To further those goals, WSLEA supports an extensive set of youth programs. WSLEA firmly believes that our future is with the youth of our state. The Association acts on that belief by actively supporting — through participation and assistance — statewide youth programs.

Please describe the program for which you seek funding and send this application, together with any other program materials you feel would assist WSLEA in its review, to the address below.

Name _____ Position _____

Address _____

Phone Number (_____) _____ Email _____
